REVIEWS

"Clandon Regis G.C. consistently punches above it's weight in terms of course quality - even in the depth of winter there are no temporary greens, greens quality is excellent and the course layout ensures a fair but challenging experience."

Gordon B ★★★★★

"A beautiful, well maintained, professionally managed and delightful clubhouse and course. One of my favourites and my choice for my committee away day. Perfect."

Bill J ★★★★★

"Billed as Surrey's friendliest golf club. It might just be!!

This mature parkland course is very well designed and maintained to a high standard. Each hole feels unique and you will not be disappointed. The course is lovely and provides a true and fair test for golfers at any level.

No problem getting on as a visitor, just make sure that you call in advance."

Michael H ★★★★★

"Beautifully maintained course that isn't crammed full of people like many other courses. Greens are fantastic and facilities look good too. Highly recommend."

Ross M ★★★★★

"Delightful golf course. Great condition all over the course.....from tee boxes to greens. Great facilities from what we experienced. Play was a little slow on the day we visited due to a 4 ball playing Texas scramble but not much we could do. Will definitely be back."
